

## **Bacon-Onion Dip**

A party favorite. I like to use the fresh ingredients but both are very good.

- 1 cup sour cream
- 1/4 tsp. instant minced onion
- 1/4 tsp. Worcestershire sauce
- 1/4 tsp. parsley flakes
- 1/2 tsp. onion salt
- 2 Tbs. Baco's imitation bacon

Mix all ingredients together and serve with your favorite chips or vegetables.

Yield: 1 cup.

### **NOTE:**

Light sour cream can also be used.

A medium onion, diced finely can replace the instant minced onion.

Two tablespoons fresh parsley, chopped finely, can be used instead of the parsley flakes.

Two slices of bacon, cooked and crumbled can replace the Baco's.
