Popcorn Microware Popper

This recipe is for the Anchor Hocking Microware Popcorn Popper. Has a lifetime full warranty. #400/193R, Anchor Hocking Consumer Affairs, 211 Hill Street, St. Paul, MN 55102.

1/2 cup popcorn

1 Tb. oil or butter (optional)

Pour 1/2 cup popcorn in the Popcorn Popper 2-1/2 Qt. bowl.

You need not add oil, if you prefer to use oil, pour in 1 tablespoon.

Do not overload Popper. Put lid on bowl.

Place Popper in microwave oven.

Cook in HIGH (100 %) for 3 to 6 minutes.

Grasp handles of both bowl and cover to remove the Popper from the microwave oven.

For repeated cooking, you may want to cool Popcorn Popper down by rinsing with cold water.

Dry thoroughly before next use. For microwave oven use, only.

Do not attempt to re-pop un-popped kernels, it is rare that every kernel pops when making popcorn.

Popcorn Popper is dishwasher safe.
